We will fire up the Pizza Oven on Fridays and Saturdays between 5pm & 10pm and also Special Themed Nights. Food can be consumed either on the Outside Patio Area or in the Bar and orders must be placed with our Bar/Waitress Staff. For takeaway orders please call 01752 880271

We try to make all of our pizzas the TRADITIONAL NEAPOLITAN WAY (which we think is the best). Cooked between 400/450°C in our WOOD FIRED OVEN, the perfect Neapolitan crust will bubble up and be charred in spots, perfectly imperfect in nature. All of our pizzas are hand stretched, topped and cooked to order, so sometimes your pizzas might be delivered to your table at different times.
